

WELBORN SULLIVAN MECK & TOOLEY, P.C.

Global Experience. Personal Attention.

WELBORN SULLIVAN MECK & TOOLEY is a pre-eminent Rocky Mountain law firm combining global experience with personal attention. The firm is an established leader in natural resources, litigation and business transactions. This year, four of its attorneys have been recognized in *Colorado Super Lawyers*® and two in *Rising Stars*.

Kendor Jones is a recognized expert in oil and gas matters and has served as an adjunct professor of oil and gas law at the University of Denver Sturm College of Law for the past 10 years. **Keith Tooley** is a trial lawyer with experience in a wide range of complex litigation areas, including natural resources. **Brian Tooley** also specializes in complex and natural resources litigation and arbitration. **William Rapson** serves as an arbitrator and also represents plaintiffs

and defendants in a variety of matters, including insurance and business disputes.

Amy Seneshen, who has been recognized in *Rising Stars*, has substantial expertise in corporate matters and business transactions, especially as they relate to oil and gas and real estate. **Blake Pickett**, also recognized in *Rising Stars*, has experience in all matters related to oil and gas development, with a special focus on litigation.
